

Zip Line Congo Canopy Tour

This amazing adventure is a short drive from the hotel. One of the most popular tours, zip lining is a truly exhilarating and exciting experience. Your adrenalin will be pumping as you enjoy the beauty and look for wildlife. If you are lucky, the Howler monkeys will be your company during a part of the canopy.

Guachipelin Horseback Riding Tour

Costa Rica is an excellent destination for adventure travel and the best way to see the most fascinating parts of the country is on horseback. Ride along a trail through the forest, which is home to monkeys, frogs, lizards, butterflies, orchids and countless other flora and fauna.

Tenorio River Rafting

This river totally rocks— and its not for the meek and mild. Four-man rafts and 6-8 ft. drops make it even more challenging to stay in the raft. The Tenorio River in Costa Rica rises near the Tenorio Volcano where it becomes a fast moving river, with 15 miles of rapids, then flows to join the Corobici River, one of the best rivers in the area for wildlife observation.
