A complete guide to island accommodations, travel & adventures, and information to help you live the island life.

KIDS SEA CAMP is NOT just for kids!

Around about this time of year, we have all had just about enough of winter and can feel the tease of springtime, with thoughts of summer not far behind. The days of piling into the family station wagon and pulling over at a roadside motel with a swimming pool has given way to dreams of exotic location experiences that promise something special for every member of the family. But what does a 4, 14 and 40 year old have in common you may ask? How about a desire to travel someplace exotic, enjoy new friends with similar interests, and not leave their loved ones very far behind...

Margo Peyton has created a magical formula that mixes age appropriate land and sea activities with just the right dose of family time. Water sports programs offer every level of PADI scuba diving and snorkeling, and include encounters with dolphins, sea lions, and stingrays based on the location chosen. Picnics, poetry, pizza/ movie nights and creative art classes complement the water time.

Beginning with just 1 week in Curacao almost 10 years ago, Margo now offers weeks there as well as on the Caribbean islands of Bonaire, Roatan, Grand Cayman, and now Fabulous Fiji over Thanksgiving!

This is the family vacation of your dreams, which is why many repeaters of every age stay connected year-round regarding their next adventures. Family units seem to extend to grown kids, grandkids, cousins and fun loving aunts & uncles, all equally educated in the fact that Kids Sea Camp is not just for Kids!
